

NAHU...

Your Voice, Your Organization

At a time when Congress and state legislatures are considering bills that could change, or even eliminate, your livelihood, NAHU is the one unwavering voice representing your interests. We know how important you are to the health and well-being of the people you serve, and we bring that message to your elected officials, clearly and forcefully, every day.

Won't you help us help you? By joining NAHU, you add your voice to those of over 20,000 of your peers and colleagues. You'll also enjoy the following benefits of membership:

- 1) Information Resource** – With our website (www.nahu.org), Health Insurance Underwriter (HIU) magazine, and several newsletters and broadcast emails at your fingertips, you'll always have the most current industry information.
- 2) Legislative Advocacy** – NAHU's legislative efforts strive to educate and inform elected leaders at the federal and state level. We've learned that most legislators simply do not understand the health care system and the agent's role in the system. Through our network of Key Contacts, we cultivate relationships that put us in position to clarify issues before bills are written or votes taken. We strengthen these relationships through activity by the Health Underwriters Political Action Committee (HUPAC).
- 3) Health Insurance Underwriter Magazine** – NAHU's monthly magazine will provide you with tips on selling, information on NAHU's activities on the national, regional, and local level, and updates on website content and other services that NAHU provides. Receiving HIU Magazine monthly is another great investment for your business.

4) Education and Networking – NAHU and our state and local chapters provide continuing education opportunities to keep you abreast of the trends, new products and policy changes in the industry. Many state and local chapters offer enough credits to fulfill all your state's CE requirements. These meetings will also give you time to network with your colleagues and make new acquaintances.

5) Member-Only Benefits – From an exclusive agreement with Marsh Affinity Group for Agent Preferred E&O insurance to discounts on shipping, conference calling, and credit cards, NAHU offers you opportunities to save money on the items you need to operate your business.

To protect your livelihood, and to begin enjoying these membership benefits, simply complete the application on the back of this sheet.
